# 2015-2016 ANNUAL REPORT

## DEAR FRIENDS,

Thank you for being a part of the Somos Amigos family. For nearly twenty years, our volunteers, benefactors, and corporate and foundation sponsors have worked together to deliver quality medical and dental care to a humble but noble population who otherwise do not have access to quality care.

Our annual report serves several purposes: of course we want to proudly announce our accomplishments, but to know Somos Amigos is to know that we are more than numbers. How do we measure the comfort of a son who knows his mother will live longer because of the medications she receives to control her disease? How do we measure the relief of parents who know their child is no longer in pain?

Our annual report allows us to share our story. Somos Amigos has demonstrated that our approach is not

only effective in delivering short term care, it is sustainable for the future.

Our annual report allows us to acknowledge and thank those of you who supported our work this past year with your generosity. Our volunteers continue to inspire me with their enthusiasm and tireless commitment to our patients. But without the support of many of you back home, our work would not be possible, and we are grateful to each of you for your confidence.

Finally, our annual report serves as an important mechanism for us to appeal to your generosity once more at this time of Thanksgiving and holiday celebrations. Our annual appeal is our single largest fund-raiser, and the gifts we receive in these final weeks of the year sustain us for some time into the New Year. This year, more than ever, we need your help.

On behalf of all of the Somos Amigos volunteers and the patients we serve, I thank you for your generosity and continued support.

Frank Brightwell  
Executive Director

## ONE COMMUNITY

Somos Amigos provides primary care to thousands of patients. But we believe that we bring our patients more than medicines and tooth fillings and vitamins—we are bringing hope. The relationships we have with those we serve are fundamental to our identity. We have connected with people, with communities, in a real and lasting way. On a wall near our pharmacy, a volunteer left a sign that reads, "If you have come expecting to heal the sick, you will be surprised, for the sick will heal you." Beautiful connections are made on that Naranjito hillside, little miracles of healing. Lives are being changed.

# OUR BOLD VISION

**S**omos Amigos Medical Missions® is neither a religious nor political organization. We are small, but we have a large mission. We are grassroots and humble, but we think big. We are a group of friends, colleagues, professionals and students, young and not-so-young who are brought together by one goal: to connect with those who struggle, to help them and to empower them, and to improve their lives through quality medical and dental care. We believe we have an obligation to reach out and to try to make a difference in our world.

As Somos Amigos looks to the future, we ask ourselves:

**How can we serve more patients?**

**How can we serve with an even higher level of care?**

**“ I VOLUNTEER WITH SOMOS AMIGOS BECAUSE I FEEL INSTANT GRATIFICATION DEEP INSIDE MY SOUL, KNOWING THAT WHAT WE ARE DOING IS RIGHT BOTH MEDICALLY AND SOCIALLY, AND THAT KEEPS A SMILE ON MY FACE FOR WEEKS AFTER THE TRIPS!”**

- NANCY DONOHUE, R.N.

Do you shop on Amazon? Who doesn't? Next time you do, instead of going to the regular Amazon site, please use the Amazon Smile portal for Somos Amigos. You get the same price, the same service, and Somos Amigos gets a percentage of your purchase. Thank you for your support.

## 20 YEARS IN EL NARANJITO

For Somos Amigos, the point is not so much what we do, as marvelous as it is, but rather *how* we do what we do. From our organization's inception, we have worked along-side our Dominican brothers and sisters in our host community of Naranjito. We make all of our decisions with them; we are always careful not to impose ourselves on our hosts and patients; we are respectful of the dignity and integrity of the people we serve.

**“ I SUPPORT SOMOS AMIGOS BECAUSE IT HAS BEEN COMMITTED TO THE COMMUNITY OF NARANJITO FOR THE PAST 20 YEARS AND CONTINUES TO**

**TREAT THE COMMUNITY AND EACH INDIVIDUAL PATIENT WITH DIGNITY AND RESPECT.”**

- JAMES MCCANN, M.D.
